News and Gossip of To-Day's Market-Present and Future Prices.

Stock prices to-day gave indications that the upward movement has been temporarily overdone. Profit taking was plainly in evidence throughout to-day's session, and aggressive efforts on the part of most bull pools operating in various stocks, particularly in oil and motor

stocks were without desired results. The opening was higher with some activity, but profit taking sales were felt in the first fifteen minutes of trading, and the list was inclined to

reactionary. Railroad shares were exceptions The opinion is sprending that railroads have experienced all the unfavorable news likely to be brought to bear against them and that any hange in the situation will be deeldedly for the better. There has en a decided increase in buying f this class of stocks. The fleating supply of these issues has approliably dwindled. Technically, raiload shares are in a strong market position and will undoubtedly prove castly responsive to any favorable developments. Southern Pacific and Rending were the features of the ratiroad list to-day, the former at one time showing a gain of 1 3-8 points. The remainder of the leading railroad shares were fractionally and 4 148.
